Please list this information in whole dollars only. This information will be used to complete the publication notice, so please list the principle, interest, fees, and total separately. Please use additional pages if necessary.

Total 2026 debt to be paid with property taxes and additional sales tax revenue. "Debt" means the interest and principal that will be paid on debts that:

- (1) are paid by property taxes,
- (2) are secured by property taxes,
- (3) are scheduled for payment over a period longer than one year and
- (4) are not classified in the unit's budget as M&O expenses

Debt also includes contractual payments to other taxing units that have incurred debts on behalf of this taxing unit, if those debts meet the four conditions above. Include only amounts that will be paid from property tax revenue (or additional sales tax revenue). Do not include appraisal district budget payments.
